

Extra Credit Assignment: Basic DVD

Specifications:

- Create a DVD Video disk from work done in this class
- DVD needs to work in a regular DVD Player
- You can work individually, with your mini-doc team, or in larger teams to get this done. To get the extra credit, work you had a hand in producing for this class must be on the DVD

Objectives:

- Add basic knowledge of one more media type

Deliverables and Schedule:

- DVD turned in by 5pm time on Dec. 9

Questions?

- Time allowing, we will have a lecture on this
- Collaborate with your team/lab/classmates
- Sorry, but this is extra credit. Go figure it out!
