

## Project Assignment #7: Revise Your Video and Post Online

### Specifications:

- Respond to feedback from the class and instructor on your mini-doc project and **improve** it. This will probably require additional editing, perhaps additional shooting.
- Post your revised video to a webpage
- Work as a team or as an individual
- Posting anything (even this assignment) to the web is considered a form of distribution. You must be aware of copyright laws and etc. You should have permission to show key subjects and locations.

### Objectives:

1. Improve your work through a review process
  - Editing
  - Story telling
2. Experiment with web video
  - Compression
  - User Experience
3. Deal with the issues of distribution
  - Music
  - Permission
  - Good journalistic practices

### Deliverables and Schedule:

- Link emailed to instructor by 5pm Dec. 9

### Questions?

- There will be both a lecture and a lab devoted to compression and online video
- Work with classmates
- Email me: josder@gwu.edu
- IM me: jason011774 (AIM)
