

BADM 064 SPRING 2007

Assignment 5 – PowerPoint

Due: April 25, 2007

Objective:

Learn and prepare a good PowerPoint presentation.

Assignment:

The instructor wants to learn what group project you are working on, and what individual part you are contributing to the team effort. Ideally, you should be able to re-use the PowerPoint you prepare for your overall BADM 064 presentation on May 2.

Slide Content Requirements:

1. Cover slide, with your name, your picture, team name, and who is in your team.
2. A slide on what project your team is working. What is this project?
3. A slide or two on what your individual contributions are. Provide enough details.
4. What you have learned in BADM 064, what you would have liked to have learned, difficulties, successes, and how many friends you have made?
5. Anything else you want to say.

Formatting & Style Requirements:

Make sure your presentation is professionally good-looking and presentable.

PowerPoint Grading: 15% of your total lab grade

Submission Instructions:

- E-mail your PowerPoint to the instructor at sergey@gwu.edu.
- You will present your PowerPoint in class (5 min presentation).
